IMPORTANT:

The content listed in this document represents the content included in the BeatBuddy Project “GoranGrooves Complete Collection 2027”. It is compatible only with the full-featured BeatBuddy 1 and 2 pedal drum machines, and not the BeatBuddy Mini.

While the BeatBuddy project is not compatible with DAWs and does not include any plugins or standalone apps, the Complete Collection 2027 product includes all MIDI files used for the creation of BeatBuddy songs, organized in packs and can therefore be used in DAWs. Dedicated installers are provided for BeatBuddy users and DAW users. Installers for DAW users come as “COMPLETE MIDI BUNDLE”.

All content for BeatBuddy produced by GoranGrooves is available exclusively at:
